Minutes of Meeting (MOM) - Implementation Phase 1

Implementation Phase 1

Develop frontend and backend coding. Set up project structure and integrate key libraries.

Template for MOM:

Meeting Date: 26/04/2025
Time: 4:00 PM
Location: Virtual meeting
Attendees: Khalid Albariqi - Mohammad alsuqair - Abdulaziz Alshatb –
Abdullah Faleh Al shammari - Abdulrahman Albulaihed - Abdulaziz Almohanna

Agenda:
1. Set up the project structure and initialize coding environment.
2. Develop frontend components and integrate backend services.
3. Discuss key libraries and frameworks used for the implementation.

Minutes:
1. Set up the project structure and initialized all necessary files for coding.
2. Frontend development began using HTML, CSS, and JavaScript for user interfaces.
3. Backend setup with PHP and database integration for dynamic data handling.

Action Items:
1. Finalize frontend user interfaces for integration.
2. Continue backend development, focusing on database interaction.
3. Schedule a meeting to review progress and integrate system components.
